November 2, 2009

Dear Friends:

Our new Divisional Dean, James P. Stuckey, and I invite you to join the alumni and students of the NYU Schack Institute of Real Estate as we honor **D. KENNETH PATTON**, this year's **Honorary Banker of the Evening**, at the **Seventeenth Annual "Evening of Monopoly®."** Ken Patton's illustrious career includes many exceptional accomplishments in the real estate industry, civic affairs, and public/private partnerships. He was the third Divisional Dean of the Schack Institute, and the second holder of the Klara and Larry Silverstein Chair of Real Estate.

Over the past twelve years, Ken Patton's guidance and dedicated leadership transformed the Institute into the largest center for real estate education in the country, sharing with students, alumni and industry leaders his forward-thinking powers and talents. He was a catalyst within the Institute for academic innovation through his passionate intellectual engagement with the issues that animate and challenge our industry. We are profoundly grateful to Ken for the major strides the Schack Institute made under his humane leadership—and for his devotion to our students and alumni. We hope you will want to honor him. (Though he has stepped down as dean and is on leave this semester, we are pleased that Ken will stay involved with the Institute, as teacher, mentor, and trusted adviser.)

The "Evening of Monopoly®" will be held on Thursday, November 12, 2009, at the Rosenthal Pavilion, NYU Kimmel Center, at 60 Washington Square South, beginning at 6:30 p.m. We hope you will support, as well as attend, this evening of networking, game playing, and cocktails and dinner.

Proceeds from the event are used *exclusively* for the Institute—for scholarships, career development, panel discussions, networking venues and to help launch new academic programs. Your support is a vital resource for advancing the work of the Institute and for helping to realize our shared aspirations for its future. Please ask your employer to be a sponsor; be a sponsor yourself; or buy a ticket. By supporting Monopoly Night, you strengthen the program and strengthen the reputation of your NYU degree. **We urge you to respond before Monday, November 10th, 2009, so that sponsors' names can be included in advertisements and signage at the event.** The sponsorship form is included; please call Fran Brooks at (212) 992-3237 for more information.

Thank you for your support and we look forward to seeing you on Thursday, November 12, at "Evening of Monopoly®" 2009!

Cordially,

E. O'Brien Murray
