On June 6 - 8, 2010 in New York City, the tourism and finance capital of the world, hotel investment and development leaders from around the globe convene and connect at the 32nd Annual NYU International Hospitality Industry Investment Conference. The NYU Conference will feature general sessions, workshops, and networking that provide insight, dialogue, and opportunity.

NYU HOSPITALITY CONFERENCE SCHOLARSHIP PROGRAM

The industry’s ongoing investment in the NYU conference furthers the education and evolution of a diverse and dynamic student body that is grounded in the living laboratory of New York City — the graduate and undergraduate students of the Preston Robert Tisch Center for Hospitality, Tourism, and Sports Management at New York University. Every year, as a result of the generosity of conference patrons and sponsors (see pages 3 and 4), hundreds of thousands of dollars are awarded to students pursuing our degrees. Additionally, last year, more than 50 NYU Tisch Center students volunteered on-site as conference hosts, learning and networking alongside the conference’s executive attendees. For additional information on the NYU Tisch Center’s leading academic programs in hospitality, tourism, and sports business, visit www.scps.nyu.edu/tischcenter.

Jonathan M. Tisch is Co-Chairman of the Board and a member of the Office of the President of Loews Corporation, one of the largest diversified financial holding companies in the U.S., and is also Chairman and Chief Executive Officer of its subsidiary, Loews Hotels. Recognized as a national leader of the multi-billion dollar travel and tourism industry, Tisch founded and served as Chairman of the Travel Business Roundtable from 1995–2008 and in 2009 merged it with the Travel Industry Association to create the U.S. Travel Association, of which he serves as Chairman Emeritus.

Tisch is also committed to a vibrant tourism industry in New York City, where for nearly six years he served as Chairman of NYC & Company, the city's official tourism marketing agency and convention and visitors bureau. Concurrent with his national efforts to help stimulate travel in the aftermath of September 11th, Tisch served as Chairman of “New York Rising,” a task force set up to help rebuild the city by reviving tourism.

Believing you can do well and do good at the same time, Tisch is a champion of corporate responsibility and his community and philanthropic activities are extensive. In 1990, Tisch created the Loews Hotels Good Neighbor Policy, the company’s formal commitment to the long-standing tradition of understanding its responsibility to the communities where it owns and operates hotels. Loews Hotels Good Neighbor Policy was awarded the President’s Service Award, the highest honor given by the President of the United States for community service directed at solving critical social problems. Tisch serves on the Board of Trustees for Tufts University, where he is also the naming benefactor of the Jonathan M. Tisch College of Citizenship and Public Service, and previously served as the Vice-Chairman of national Welfare to Work Partnership.

Tisch is the host of the Emmy-nominated television broadcast, Beyond the Boardroom with Jonathan Tisch, a series of one-on-one interviews with America’s preeminent CEOs and business luminaries. Talking to Jonathan Tisch, his guests are afforded an opportunity to reveal the person behind the business legend. Tisch is also the author of three books. The best-selling The Power of We: Succeeding Through Partnerships, Chocolates on the Pillow Aren’t Enough: Reinventing the Customer Experience and his newest book, Citizen You: Doing Your Part to Change the World, where Tisch challenges readers to take up the mantle of social engagement and points the way toward making the world a better place, one person and one neighborhood at a time. This is Mr. Tisch’s sixteenth year as Conference Chair.
